Dear Mr. Matthan,

I enclose herein for your perusal a letter that I have received from Mr.Balasunderam Iyer to-day. Probably you will have received a similar requisition from him. It may be possible to spare one of the Assistant Secretaries working under me every day by turns. I shall be glad if you will kindly let me know what is being done in the other sections of the Secretariat. Probably the best thing to do will be to have a general arrangement by which all the Assistant Secretaries may be given a turn at superintending the examination.

Yours sincerely,
